The decision of the Council to carry out this inspection shall be final and binding and they shall be absolved from any liability for any action taken as a consequence of their decision. The Council members can only judge the sheep on the day of the sale and cannot be held responsible for the future development of the sheep. The use of growth promoters is banned by the Society and they reserve the right to random test any sheep offered for show or sale. The vendor will be responsible for the correctness of identity and all sheep must have official ear tags. The Society reserve the right to scan any animal, provided two Society officers are present and a report submitted.

The purchaser shall have the option of, either, a refund of the purchase price or, accept a replacement of similar quality. If the vendor so wishes he shall be entitled to have access to the ram for a veterinary examination. However, the Council retains the right to grant re-use of the flock name on consideration of special circumstances. Reduction and dispersal sale sheep are to be sold at the end of the appropriate sections. A reduction sale may be inspected.
