MONDAY 3RD AUGUST 2026

A very similar story this week, with the best-quality, stronger lambs remaining the easiest to place and continuing to meet the strongest demand. Longer-term, smaller-framed lambs are once again proving harder to sell as buyers remain cautious.

With the continued dry weather reducing grazing and the falling prime lamb trade putting pressure on confidence, we would encourage vendors to let us know their entries as early as possible. This allows us to keep buyers informed and helps ensure the strongest possible trade on the day.

Ewe lambs average £113.21 and to £118 from S Lane, Penygelli
