NOTE TO PURCHASERS

The Welsh Mule Sheep Breeders' Association extends a warm welcome to buyers at its 48th official sale at Welshpool.

The Entry of Sheep catalogued have been bred on the traditionally hard and healthy hill farms of Wales.

The Society members are obliged to use Rams officially approved by the Blue-Faced Leicester Society as sires for the Welsh Mules on offer, and, the sheep have to be bred from either the hardy Welsh Mountain, Speckled Face, or Beulah ewes, all hill breeds renowned for their hardiness and exceptional mothering qualities.

Despite the fact that the Welsh Mule Society was only officially formulated in 1976 — the breed is already firmly established throughout England and Wales (and in Scotland) as one of the most popular breeds for crossing with recognised fat lamb sires for the production of Prime quality lean fleshed lambs as now demanded by both the British housewife and continental markets.

The sheep are acclaimed as excellent mothers giving minimal lambing problems, good milkers, yield wool of a high grade and are of a temperament to adapt to either intensive outdoor or indoor wintering systems. Other commercial characteristics of the breed being their ability to produce early maturing Prime lambs, and longevity resulting in low depreciation rates for buyers.

Breeding Stock and their lambs have been exhibited at the major National Shows and National Sheep Association events in 2013 and a wide spectrum of Prime Lamb producers were most favourably impressed with the quality of the sheep and of their potential in fulfilling the present day requirements of the meat trade.

Buyers can be assured that there will be adequate transport available for the prompt despatch of sheep purchased to any part of the U.K.

It is the intention of the Association to ensure complete satisfaction, all sheep on offer will be approved by an officially appointed panel of inspectors prior to being offered for sale. The Society's field officer, Miss Holly Page, will be present at the sale and services will be available to all intending and actual purchasers both during and after the sale day.

Long established as the main auction outlet for livestock in Mid Wales and the borders and still being reputed the largest prime lamb market in Western Europe, Welshpool Livestock Sales has a dedicated team based at the centre dealing with the sales and purchase of pedigree and commercial livestock. But it doesn't stop there... WLS also hold machinery sales, antiques and furniture auctions and food & craft fairs. We also have two conference rooms on site that are available to hire for business meetings, corporate events and training days.

The market is also the base for Morris Marshall & Poole's Rural Department.
